Haridwar, Uttarakhand, India | 7895045749 | sonalihdr123@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Web Designer and Frontend Developer with 1.5+ years of experience building responsive, cross-browser websites and landing pages using HTML5, CSS3, JavaScript, and Bootstrap. Experienced in WordPress maintenance, UI development, and delivering live business websites end-to-end. Background in digital marketing and Meta Ads adds a conversion- and user-focused perspective to UI decisions.

CORE SKILLS

- Frontend Development: HTML5, CSS3, JavaScript (ES6), Responsive Web Design, Cross-Browser Compatibility
- Frameworks & Libraries: Bootstrap
- CMS & Platforms: WordPress (site build & maintenance), GitHub Pages, Vercel
- Tools & Practices: Git/GitHub (version control), Canva, Browser DevTools, Meta Ads Manager
- Core Practices: UI Development, Landing Page Design, Website Maintenance, Team Collaboration

PROFESSIONAL EXPERIENCE

Digital Marketing Executive | Engagemint Digital Nov 2025 - Jan 2026 | Haridwar, Uttarakhand

- Executed digital marketing and Meta Ads campaigns to grow brand visibility and online engagement.
- Monitored campaign performance metrics and supported ongoing optimization of ad spend and reach.
- Partnered with the design and web team to align marketing initiatives with website UX and content updates.

Web Developer / Web Designer | Web Bridge Services Nov 2024 - Jul 2025 | Haridwar, Uttarakhand

- Built responsive, user-friendly web interfaces using HTML5, CSS3, JavaScript, and Bootstrap for live client projects.
- Implemented interactive UI components and page layouts, improving usability across desktop and mobile.
- Owned cross-browser compatibility and mobile responsiveness testing across all delivered web projects.

Web Designing Intern | Bharat Skills Development Centre Feb 2024 - Aug 2024 | Haridwar, Uttarakhand

- Assisted in design, development, and maintenance of responsive web applications under senior developer guidance.
- Built and tested production web pages using HTML, CSS, JavaScript, and Bootstrap from design mockups.

PROJECTS

Engagemint Digital - Business Website (Live)

- Developed and maintain a responsive business website using HTML, CSS, JavaScript, and Bootstrap.
- Created user-friendly page layouts and navigation, improving overall site usability.
- Perform ongoing UI updates and maintenance to keep the live site current and bug-free.

Indian Free Bird - Travel & Tourism Website (Live)

- Designed and developed a responsive travel and tourism website with modern, easy-to-navigate layouts.
- Built page structure and UI components using HTML, CSS, JavaScript, and Bootstrap.
- Optimized responsiveness and load consistency across desktop, tablet, and mobile devices.

FutureX Academy - Ed-Tech Landing Page

- Built a responsive ed-tech landing page featuring course listings, learning modes, and a lead-capture registration form.
- Created a modern, conversion-focused layout using HTML, CSS, and JavaScript.
- Deployed and hosted the site on Vercel for live public access.

Maisone - Luxury Apartment Booking Website

- Designed a premium booking website with a stay-search widget, property listing cards, and a guest-reviews gallery.
- Focused on elegant, imagery-driven UI design with full cross-device responsiveness.
- Deployed the project on Vercel and validated the live UI across screen sizes.
